Errors and Omissions – Risk Management

Osler, Hoskin & Harcourt LLP (“**Osler**” or the “**Firm**”) manages the risk of errors and omissions on the part of its legal professionals through a number of different initiatives.

Responsibility for Professional Liability Risk Management

Osler has appointed a senior partner, Terry Burgoyne, to serve as General Counsel for the Firm as well as Chair of an Ethics & Conflicts Committee (the “**Committee**”), consisting of the Chair and two other senior partners. The General Counsel, supported by the Committee, has overall responsibility for risk management and ethical and professional responsibility matters, including general oversight and administration of the Firm’s policies that relate to risk or professional matters (see *Risk Management Policies and Procedures* below).

Osler also has appointed a senior partner, David Morritt, to be responsible for the management of all claims and possible claims against the Firm. He is consulted on all possible claims and advises on all required reports. He also monitors and reviews all filings made in respect of any claims. David also serves on the board of CLLAS. He and our General Counsel also attend various sessions dealing with risk management put on by CLLAS and other external organizations.

Risk Management Policies and Procedures

The Firm has an umbrella Quality Assurance Policy setting out general standards and expectations and a number of other policies and procedures to address specific areas of risk. These other policies and procedures include:

- Policy on Engagement Letter and Client Service Terms
- Policy on Rendering Legal Opinions
- Procedures relating to conflicts
- Policy on Acting as Directors, Officers, Trustees or Business Persons
- Policy on Insider trading
- Confidentiality Policy
- Policy for Reporting Violations of the Law and Breaches of Duty (Up the ladder reporting)
- Errors and Omissions Policy
- Policy on Internet and Email Use
- Policy on Ethical Walls

The Firm conducts an annual certification process, requiring all legal professionals and staff to confirm that they have complied with the key quality assurance policies during the past year.

Work Intake

The Firm has a Client Screening Policy and has appointed two partners as Gatekeepers to administer that Policy. Gatekeeper approval must be obtained for all new clients and for certain new matters.

Osler has a rigorous conflict clearing system to help identify any potential client conflicts before new clients, new matters or new lawyers are taken on.

The Firm has a set of standard Client Service Terms, required to be provided to all clients. The Terms address common service terms. In addition, an engagement letter is required to be sent out to clients on the opening of all new matters, dealing with the specific terms of engagement for the particular matter.

The Firm's Billing Management Policy identifies the circumstances in which a monetary retainer is required to be obtained from a client.

Communication and Training on Risk Management

Osler periodically holds firm-wide mandatory training sessions for lawyers and staff on various risk management issues. All of Osler's policies are available on the Firm's intranet, fully searchable, and available by topic and by role.

Training sessions are held for in-coming articling students and summer students each year, and a refresher session is held with new first year associates when they return in September of each year.

All new staff are provided with copies of all relevant policies when they arrive and are directed to the supplemental resources available on the intranet.

The Firm has also introduced a training program for new partners on risk management. This training program is held annually.

General Training

The Firm has a full-time lawyer in the role of Chief Knowledge and Innovation Officer (the "CKO"). The CKO is responsible for providing on-going continuing legal education for all legal professionals, in all offices. A broad range of substantive legal programs are provided in-house on a regular basis. The Firm is an Accredited Provider for professional development programs in Ontario, Quebec, B.C. and New York. Lawyers also attend continuing legal education programs provided by external organizations, including the local law societies, the local Canadian Bar Association organization (e.g. the Ontario Bar Association), Insight, Federated Press and others.

Lawyers are required to track their own continuing professional development, but the Firm has put systems in place to assist them to ensure they are meeting their mandatory requirements.

Osler also regularly provides practice-oriented training programs, including programs on:

- researching skills
- the Rules of Professional Conduct
- trust accounting
- time and practice management
- docketing

- negotiations
- presentation and communication skills.

In addition to formal programs, each department and practice group holds regular meetings of all members to discuss developments in the law, practice points and other issues that help ensure legal professionals keep up to date in their areas of practice.

Resources

The Firm has an extensive law library, with “branches” in each office. The library provides access to an extensive collection of legal resources both in hard copy and on-line.

Each department and practice group has identified case reports and digests, journals, newsletters and other periodicals relevant to its practice area, which are circulated regularly to all members of the department to assist them in keeping up to date in developments in their areas.

Each department has developed model precedents and checklist to assist lawyers in preparing up-to-date documents and effectively managing files and transactions. Each department also collects and shares sample documents to provide lawyers with current information on industry practices and trends. The Firm also subscribes to various external precedent resources.

Supervision

A responsible partner is assigned to each client file. The work of all articling students and associates is supervised by a more senior lawyer, to the extent appropriate in each circumstance. All students and associates are encouraged to ask questions whenever they are unsure of their instructions or direction.

Tickler System

The Firm uses a centralized tickler system to keep track of limitation periods and other critical dates. The IP department uses InProtech to track critical dates.

Practice Management Guidelines

The Law Society of Ontario has produced practice management guidelines to assist lawyers and law firms in assessing, maintaining and enhancing their quality of service. Osler has reviewed these Guidelines against the Firm’s practices, procedures and resources.

Personal Management

Osler has an employee assistance program available to all legal professionals to help them deal with personal or work-related stress. The Firm subsidizes membership at local fitness organizations for students and associate lawyers to assist them in gaining a balanced lifestyle and deal with stress.

Administrative Support

Osler has well organized administrative departments under the direction of subject area professionals, to provide support and procedures in their areas of service, including Records

Management, Finance & Accounting, Human Resources, and Marketing and Client Development.
